Accelerated General Management Programme Blended Learning - Batch: 14 (AGMP-BL14)

Programme Overview

This one-year programme has been designed specifically to equip working professionals with aspects of general management in a global business environment. This programme comprises of functions of business management as well as contemporary and new age topics which will enable participants to broaden their business perspective and develop on tools and techniques required for managing today's businesses.

Programme Objectives

- To give an opportunity for bright and aspiring managers at the senior and middle levels (in large corporates) to understand the concepts, paradigms and theories underlying management.
- To understand how management as a set of functions can contribute to effective decision making, leadership and help in developing the strategy and organization of the business.
- To develop skills required to take strategic and managerial decisions such as planning, organizational design and change management, implementing new strategies, mergers and acquisitions, operational strategies, manage interfaces with the public, media, and government.

Programme Highlights

- A top ranked general management program designed specifically for working professionals
- An interactive and immersive learning experience driven by a variety of novel pedagogical approaches
- A blended learning program with the flexibility of remote on-site sessions along with periodic on-campus modules
- A diverse cohort enabling cross-functional peer learning
- The opportunity of continued association with a globally renowned management school through the alumni status

Who Should Attend

- Specifically designed for working executives with the flexibility of interactive onsite learning.
- Programme has been designed from a top-down perspective wherein the business context and the firm is always primary rather than the tools and techniques.
- Case pedagogy provides an action orientation to the learning process.
- A campus module allows networking with the peers and bonding with the institution and faculty.
